FIVE MOTOR RACES TO BE HELD TODAY

The National Capital Motorcycle Club, with the aid of the Maryland Motorcycle Club and the Dealers' Associations of Baltimore and Washington, are holding a race meet this afternoon at Laurel Park which promises to excel any former race meet held in this territory. There will be six races in all, consisting of a five-mile race for single machines,

ten-mile race for sidecars, ten-mile race, match race, twenty-five-mile intercity, championship, open to all racing ma-chines, and ten-mile racing machines. The fastest riders of Baltimore and Washington have entered in these races

Washington have entered in these races and the track record is expected to be lowered. The feature events of the race meet will be the two match races, which have held fire so long and have now been decided on Victor Dessey against Tommy-Dedge, and Freddy Tiemeyer against Billy Denham, the last-named pair riding for a purse of \$100\$, given by the Pope and Emblem agencies of Baltimore, for which these boys are riding.

Chicago, Nov. 24—Young blood is to be favored in the Federal League ranks next year. The stars who jumped from the big league to the third circuit will have to show more than their reputations for past efficiency. If they don't they are to be thrown to the discard.

This announcement was made today by President Glimore. The decision was reached after many conferences with Federal owners. In each instance the owners agreed that the fans want to see the newer generation of stars in the making rather than to watch the dimming of stars that have been, The announcement was taken to mean that the Federals will shortly resume the offensive against organized baseball in a defect that weather indications in the federals will shortly resume the offensive against organized baseball in a defect that weather indications in the federals will shortly resume the offensive against organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federals will shortly resume the offensive against organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in a defect that weather indications in the federal organized baseball in the federal orga
